

Who We Are

At Innerspace Watersports our mission is to share our passion and enthusiasm for SCUBA diving through training, instruction and coaching divers in order that you too can enjoy this fantastic sport.

We inspire and mentor new divers while encouraging certified divers to remain active through organized local and international SCUBA events and trips.

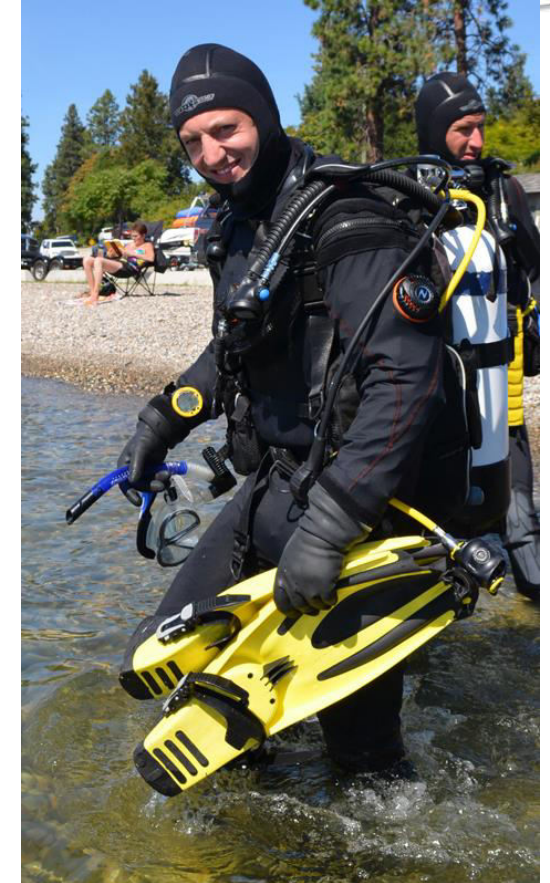

Our instructor staff uphold the very highest safety and professionalism standards whilst providing you with an enjoyable and memorable learning experience.

Learn to Dive With Innerspace Watersports

“The sea, once it casts its spell, holds one in its net of wonder forever.”

Jacques Yves Cousteau

Training Process

Classroom theory

Your first step to becoming an open water diver is to complete the classroom portion of the course with your instructor or via the flexible e-learning option.

Equipment

You will be introduced to basic diving equipment including mask, snorkel, fins, regulator, buoyancy control device and cylinder. Exposure suits will vary depending on the time of year. **Ask about our dry suit course for cold water dives.**

Pool Training

Once you have been fitted with gear you will begin your pool training in our private salt water pool facilities. You will practice the skills covered in the classroom and work towards perfecting your technique. All training skills will be assessed and recorded by your instructor before moving into the open water.

Open Water Training

You will demonstrate in Open Water conditions the skills you have been taught in the pool. Once all dives have been completed you will then will be certified to dive worldwide.
